Response to Amendment

The replies filed on 07-17-2006 and 07-28-2006 are not fully responsive to the prior Office Action because of the following omission(s) or matter(s): it is unclear how the amendment to the specification provides antecedent basis for the objected to subject matter in the specification. Again, applicant has not incorporated by reference any material of how the microactuators are made and operate, and therefore the claimed subject matter has no antecedent basis in the specification as originally filed. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
